D.O. No. F. 1-8/2017-NVS(Exam.)
Date: October 5, 2017

Subject: Online Registration for JNV Selection Test 2018 for Admission of Student to Class VI in JNVs for the Academic Year 2018-19 – reg.

Dear Principal,

As you are aware, the JNVST for admission of students in Class VI for the Academic Session 2017-18 has been scheduled on the following dates: -

- | | |
|-------------------------------------|-----------|
| 1. For Summer Bound Areas | 10.2.2018 |
| 2. For Winter Bound Areas | 08.4.2018 |
| 3. For Extremely Winter Bound Areas | 09.6.2018 |

In order to ensure transparency the process of admission has been simplified and applications for JNVST 2018 have been made online, in collaboration with Common Service Centers (CSC) of Ministry of IT, Govt. of India. CSC has their centres located in more than 2.6 lakh locations covering almost all village areas. In the process of collection of application form, CSCs will be assisting the candidates/Parents to upload their details by charging a service charge of Rs.35/-. They will also assist downloading and printing of the admit cards for test with a service charge of Rs.10/. This will minimize the hardships of the parents and time taken for processing the applications at Vidyalaya level. Further due to the digital process, accurate information will be available. **Last date of submission of application forms is 25th November 2017.** The process of online application will be followed by individual confirmation and intimation of further steps through mobile to all the parents. The detailed prospectus has been put on the website of the Samiti. You may also have received the printed copies from Regional offices for enhancing publicity. As per simplified procedure, a self declaration form regarding their age, eligibility, residence, in the given format, have to be uploaded after due authentication by Headmaster / Principal of the School, wherein student is studying in Class V at present.

The target of the Samiti is to increase overall registration from all categories of students' viz. SC / ST / OBC / Girls etc. for JNV Selection Test 2018. For which concentrated efforts will have to be made by all

Vidyalayas by devising suitable methods for enhancing publicity for the Selection Test, creating awareness about the quality of education in the Navodaya Vidyalayas and reaching the remotest parts of the districts. You may have already initiated actions. Following actions shall be ensured:-

- 1) The list of schools having maximum number of applications for JNVST during last few years may be given to the District Manager, CSC and may be followed up by the Principal on daily basis.
- 2) It should be your prime concern to monitor the registrations in CSC centres located in different villages and also in your Vidyalaya. You may allocate teachers / staff from your JNV to the Blocks / Villages for enhancing the registration in the concerned area through CSC. The list of teachers who have been allocated the block / village shall be put up on Vidyalayas website by 6th November 2017 evening.
- 3) Special attention should be given on those districts where registration of students in the past has been declining. Such areas in the district shall be listed within a week and personal attention shall be given to cover the uncovered school systems.
- 4) Please also identify the areas where the registration of SC/ST/Girls & Minority candidates has not increased in the past and special efforts in these districts be made to increase registration of candidates from these categories. Personal contacts should also be made by the Principals and Teachers of the Vidyalaya with Head Masters of Primary Schools, Gram Panchayat, parents etc.
- 5) Strong emphasis shall be given to socially and economically backward blocks and minority populated areas to increase enrolment of students and specially the girls from these areas.
- 6) District Collector/Magistrate and Chairman, VMC should be personally approached by the Principal with the request to write letters to District Education Officer/Head Master of Primary Schools for increasing registration.
- 7) District Education Officer/DIOS should be requested to fix targets for Block Education Officers/Head Master of Primary Schools for enrolment of candidates.

While NVS is making all efforts to give adequate publicity to this examination, your earnest efforts in disseminating about objective of NVS, success of your JNV students and the entrance examination would be of immense help. I have already written to all the State Government Officials as well as all District Magistrates/Collectors to extend their support and cooperation to communicate to maximum number of

students for participation in JNVST-2018. This may be taken very seriously and any laxity in this regard will be dealt severely.

Following Officers have been assigned regions for personal monitoring regarding progress of the JNVST registration: -

- 1) Dr. Honnareddy N., Joint Commissioner (Admn) – Shillong .
- 2) Shri A.N. Ramachandra, Joint Commissioner (Acad) – Bhopal
- 3) Shri S.K. Agrawal, General Manager (Constn.) – Chandigarh
- 4) Ms. Kaneez Fatima, Joint Commissioner (Pers.) – Jaipur
- 5) Shri Sudhakar Gaikwad, Deputy Commissioner – Pune
- 6) Shri A.Y. Reddy, Deputy Commissioner – Hyderabad
- 7) Commissioner will himself monitor Lucknow and Patna

Yours sincerely

(Bishwajit Kumar Singh)

To,

Principal
All Navodaya Vidyalayas
