No. 29-01/2016-NVS(GA)
13th April, 2017

Dear Navodayans,

At the outset, I would like to complement and congratulate all the officers and staff of NVS on Navodaya Foundation Day. As we know, the odyssey of Navodaya Vidyalaya Samiti started with the opening of two model schools on experimental basis at Jhajjar (Haryana) and Amaravati (Maharashtra) later on called Jawahar Navodaya Vidyalayas. The organisation expanded rapidly from two schools to 594 functional JNVs in 35 States/UTs of the country as on date.

The success of Navodaya Scheme cannot be measured merely in terms of results. Navodaya students have been turning out to be more responsible citizens of the country who have emanated from families with mostly first generation learners. It is needless to mention that alumni of NVS have been effortlessly getting admission in eminent higher educational institutions.

I'm quite hopeful that the entire JNVs/Regional Offices must be celebrating the Foundation Day of NVS in a way that it could become a replica of the culture and inculcation of the values being imparted by Jawahar Navodaya Vidyalayas.

At the last, I once again thanks to all the employees of NVS from the bottom of my heart for rendering relentless services in making JNVs campus the vibrant centre of intellectual, cultural and co-scholastic activity.

Happy NVS Foundation Day

Jai Hind

(Bishwajit Kumar Singh)
