### MESSAGE

#### Performance of Navodaya children in JEE Main Examination

As per the information received from Central Board of Secondary Education (CBSE), it is observed that 9757 students from Navodaya have participated in Joint Entrance Examination Main and 3563 have qualified for advanced examination. The overall percentage of qualified candidates is reported to be around 36% which is really remarkable. The top scorer in this group has scored 335 marks and is placed at rank No. 23 (All India Rank). This encouraging performance of children in the All India Competitive Examination is highly appreciated. We need to strengthen the support system to encourage more and more children to take competitive examination.

I wish to convey my best wishes to the teachers and Principals who have worked behind in this endeavour. Although our Class-XII strength of Science stream is around 18500, it is observed that only 9757 have appeared for Joint Entrance Examination Main. Although it is not necessary that every child appear in Joint Entrance Examination it would be encouraging to see that maximum number of competent children take such examination. Further, I exhort all students, who have cracked JEE (Main), to work hard for JEE (Advance). My best wishes to all of you.

  
[Bishwajit Kumar Singh]  
Commissioner
